

Filey Junior School

Widening horizons and reaching our potential whilst respecting the world and each other, within a happy, healthy and positive learning community

Impact of Sports Premium Funding 2016_2017

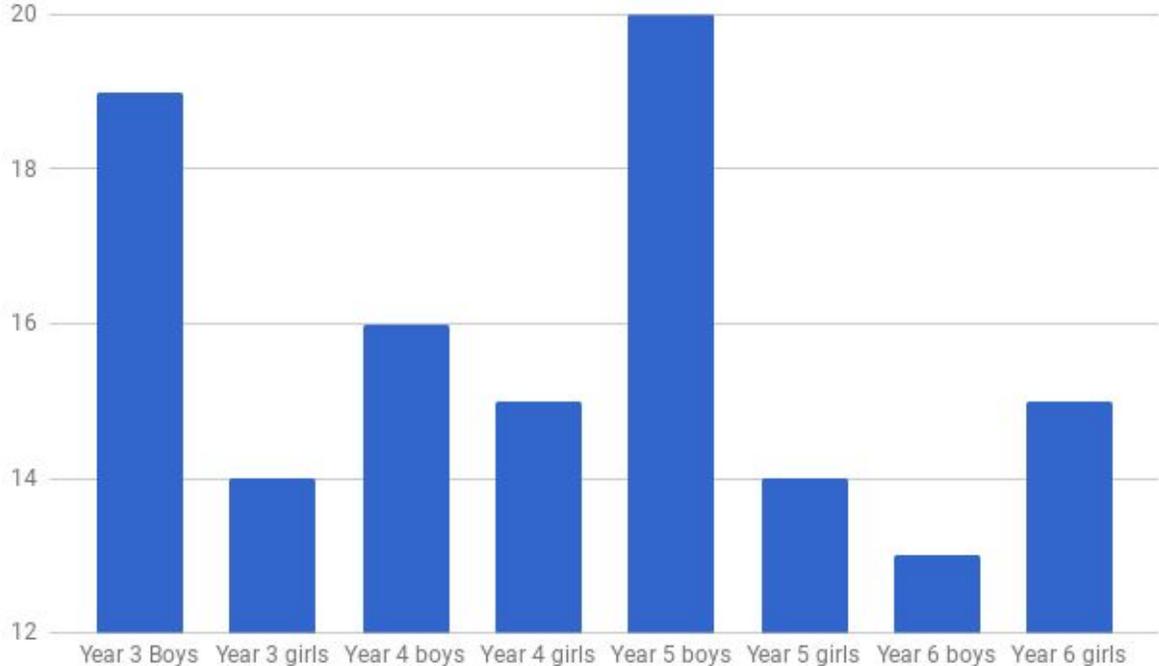

Sporting fixtures 2016/2017

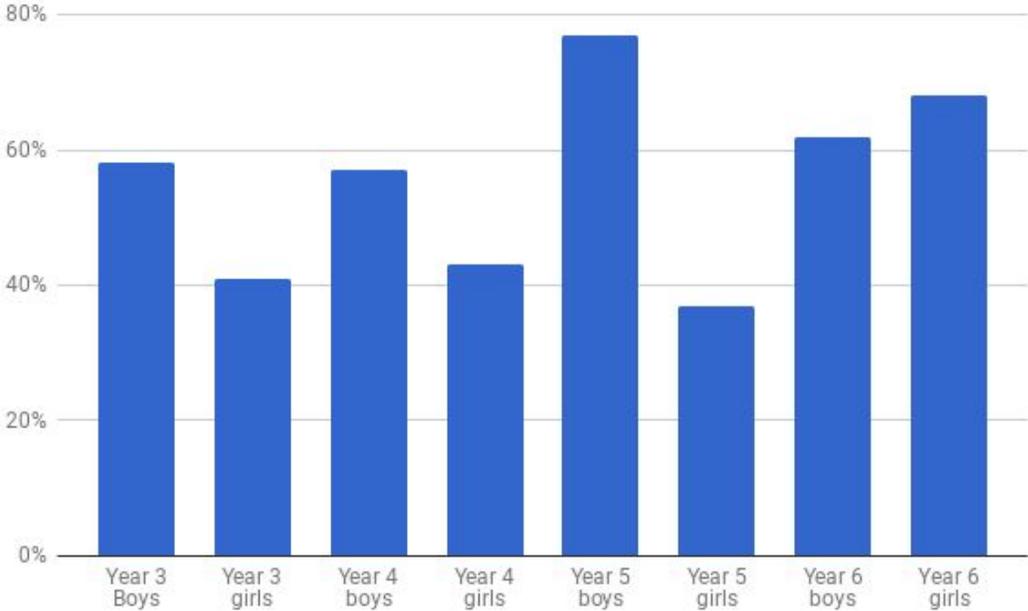

A total of 49 sporting events were entered in the Year 2016/2017.

We have had numerous sporting successes last year, we reached the final of the Indoor Athletics Competition for the Scarborough Sports Partnership in February 2017. Five children represented the Scarborough Sports Partnership at the North Yorkshire Games Cross Country Finals at Dalby Forest. One of our year 4 boys was the Scarborough and District Year 4 Cross Country Champion. Our girls football team represented the Scarborough District in the North Yorkshire Football finals, where they won and then went on to represent North Yorkshire in the North of England Danone National Cup. We were also very successful at the Gymnastics Competition where we won a gold and silver medal.

Number of boys and girls in each year group that have represented the school at sporting events during 2016/2017

Percentage of boys and girls in each year group that have represented the school during 2016/2017

Staff training

All the staff in school have received some training for PE this year through the employment of a PE specialist and the use of video technology. A specialist PE coach, with many years of experience in both primary and secondary education, is employed on a 0.1 (one morning per week) contract to work alongside to develop skills in delivering and assessing PE and sports. The coach has worked with all staff in school and has also assisted in the formulation of planning and assessment documentation.

5 teachers completed a 5 week training programme to obtain the FA Primary Teachers Award, this was completed in July 2017.

We have also had a tennis and cricket coach in school this year, again to work with children and staff to ensure continuity and sustainability of high quality provision.

Sporting Clubs

A range of sporting clubs are on offer throughout the year. These include Indoor Athletics, Boys and Girls football, netball, tag rugby, Kwik Cricket, Athletics and Gymnastics. We also have some external coaches providing clubs after school, including football, golf, Fitness training and dancing.

Awards

We have achieved the School Games Gold Award for the commitment, engagement and delivery of sport in 2016/2017.

We are currently updating our Health School status.
