

Filey Junior School

Widening horizons and reaching our potential whilst respecting the world and each other, within a happy, healthy and positive learning community

Newsletter - 13th December 2018

It's certainly getting festive in school as the finishing touches are being put to our Carol singing, Nativity and party preparations. It's always a busy time of year but the children (and staff) are all smiling and getting on with the job in hand. We've got a few extra Christmas dates to fit in before the end of term and we'd love to welcome you to some of our events.

School Closures

We've managed to avoid this for the past few years but as we move into the depths of winter, please be aware that if a school closure is unavoidable, we will inform you via the school Facebook page, local radio stations and via text message to your mobile phones. We will, of course, take every step to avoid this situation.

School Uniform

We are always very proud of how smart our children are and how well the school uniform helps to promote good behaviour and a sense of belonging. We appreciate that, at times, school uniform, particularly shoes, can wear out or be outgrown. Obviously, we are happy to make exceptions for these occurrences but please let us know if your child has had to come in trainers or different trousers etc. at any point so that we can avoid any confusion. Could I also ask, however, that any shoes or other replacements are in place in time for the new year? Thank you for your support.

New Build

It has a roof! And windows! And doors! It's waterproof and being decorated as we speak. If all goes to plan we should be ready to move in just after Christmas. Look out for an invitation to the opening as the school Governors would like to invite you all to see the new building and meet the Governors. This will be an excellent addition to the school and secure great accommodation for our children for years to come.

Have a lovely Christmas everybody! Hopefully we'll see you at a Christmas event before the end of term, but if not we'll see you in 2019!
