

# Filey Junior School

Widening horizons and reaching our potential whilst respecting the world and each other,  
within a happy, healthy and positive learning community

## 5th July 2019

We've been 'Moving On Up' this week as our new children joined us in Year 3 and our Year 6 children who are bound for Ebor Filey had opportunity to 'flee the nest'. It has, of course, been a very successful week and everyone seems to be getting on very well. Our new starters are a very smiley group and they've loved getting to know all the new routines, play equipment and generally being part of the school - we look forward to seeing you all again in September. If you are a parent or carer of one of our new starters and have any questions or comments regarding Transition Days, September or school in general, please do not hesitate to get in touch.

### Dates:

Wednesday 10th July -	Open Evening 4pm - 6pm (existing Y3 - Y6)
Wednesday 10th July -	Sports Day (Y3-Y4) 1:30pm

Tuesday 3rd September -	School re-opens for Autumn Term

### Summer Fair

Summer Fair was, once again, a great success with lots of smiling faces having fun whilst eating a bun (or an ice-cream or pop-corn etc.). A big thank you, as always, to all of those who contributed or attended. We raised over £1000 once again which we will use to help fund further 'extras' for the children. I hope you had the opportunity to see 'The Green', our new all weather grass area and the surrounding wild flower meadow. This wonderful resource was purchased with the help of funds raised at these events. A big thank you, as always, to Mrs Clarke for all her hard work in organising these occasions for us!

### Safe Guarding

The National Society for the Prevention of Cruelty to Children have been in school over the last couple of weeks. A big thank you to them for the assemblies and workshops they ran. There was lots of really useful information and the children have learnt lots of lessons around staying safe in school, at home and online.

### Residential Trips

Look out for some exciting news next week if you are in Year 3 (moving to Year 4), as we are just in the process of arranging our trip to France for next year. The big news is... we are going to visit Paris too this time around!

And for those in Year 4 (moving to Year 5), we're going to visit London next year and stay for an extra day (3 nights) so that we can check out a West End show (more news on this in September). As always, we will have our Year 6 Low Mill trip and for our new Year 3's, we will be giving you a chance to have a night away from home whilst trying some adventure activities towards the end of the year. Get your bags packed!

### End of Term

As always, there are one thousand and one things happening over the next couple of weeks (a slight exaggeration, but we will be very busy). Please keep an eye and an ear out for news and any last minute changes of dates (rainy sports day anyone?). We will do our very best to make sure everything runs as smoothly as possible.

As always, please let us know if you have any comments or suggestions.  
Mr McCarthy & Staff.
